

Robot: Ahh!!! System Crashing, I am loosing control

Bird:
Please help! I am stuck can get me out of here

Robot: Let me get you out of here

Bird: Thank you! How did you end up here. I will help you find your home

Fox: I need to hunt it down

Robot: You need to get past me to kill her

Rox: I will back for you another time

Penguin: How do i track Ros in the island

Fox: I will help you kill the bird can you show me way to Ros

Sounds like a plan. Follow me

The fox does not know the real intention of the penguin, putting the island in a great risk
